## Rider Specs

Name: \_\_\_\_\_

Bike: \_\_\_\_\_

Weight with gear: \_\_\_\_\_

It is very important that you answer these questions truthfully (including weight!!). If you say you're an A rider, we will build the suspension accordingly. For example, If you're actually a C rider, it will be far too stiff and will not work ideally for you. Also use the notes section below for anything else you may feel is important. We want the suspension to be perfect for you.

**Circle all that apply**

<u>Type:</u>	Enduro/HS	Desert	Moto/HS	100% Moto
<u>Terrain:</u>	Hard Pack	Sand	Rocky	Intermediate
<u>Ability:</u>	AA/PRO	A	B	Novice
